## **Subject: The IUPESM Fellowship**

Dear Prof. Almir Badnjević,

I am delighted to write on behalf of the International Union for Physical and Engineering Sciences in Medicine (IUPESM) to inform you that in recognition of your outstanding contribution to the international development of Physical and Engineering Sciences in Medicine, you have been elected a Fellow of the IUPESM. Please accept our warmest congratulations and gratitude for your high-level contribution to the international advancements of our profession.

The Fellowship consists of a Diploma and a Badge, and it bestows the right to use the designation FIUPESM after the name of the awardee.

The honor will be presented during the World Congress on Medical Physics and Biomedical Engineering to be held in Adelaide, Australia from 29 September to 4 October 2025. There will be an announcement in the IUPESM media. I would be most grateful for a digital photograph of yourself which you would like to be used in the announcement. I do hope you will accept this honor and receive the same at the World Congress. We will send more details regarding the award ceremony at the Congress closer to the date.

Congratulating you once again and looking forward to welcoming you in Adelaide.

Kind regards

Madan Rehani, PhD
